Dear Parent/Guardian,

The Simcoe County District School Board is offering an After School Numeracy Support Program designed to address the learning needs of students in Grades 4, 5, and 6 who would benefit from additional support to reinforce and strengthen their numeracy skills while building positive attitudes towards math.

This program would support your son or daughter's learning needs in numeracy and we recommend his/her enrollment. If you would like your child to participate, kindly complete the form below and return it to the school office as soon as possible. There is **no cost** for participation.

Our Grades 4, 5 and 6 After School Numeracy Support Program will run on Tuesday and Thursday from 3:30 pm to 5:00 pm beginning March 22 to April 21. Students will meet in the library and will be dismissed from the front entrance of the school at 5:00 pm.

If you have any questions regarding this program, please contact me at the school.

Thank you for your continued support.

Sincerely,

Troy Comish
Principal

Please complete this section and return it to the school office no later than March 2nd. Please retain the top section for your records.
